Dear Raissa,

We are pleased to present our application for the "accueil studio" at CCNO to develop our project *POLE*. Please see the attached documents for information. We are also including a link to work-in-progress for *POLE*:

Excerpts of residency and performances at the New Museum (New York) in 2015:

Please do not hesitate to send any questions our way or to ask for further information. We will be in Paris in June and July and hope to see you!

Thank you,
~ryan
